

Precast Stair Shafts

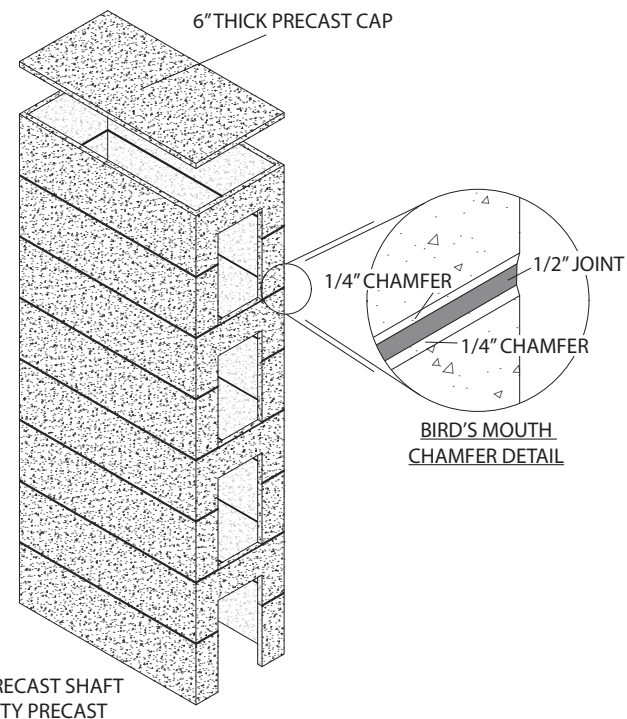

Seven Story Stair Shaft

Stair Shaft

Stair Shaft Drawings

Avoid dangerous temporary ladders and expensive temporary stairs.

Precast Stair Shafts allow immediate access for:

- Stair installers and tradesmen
- Inspectors
- First responders
- Fire suppression pipe stand

County Precast is your source for resilient precast elevator and stair shafts. We are headquartered in Astatula, Florida and supply products throughout the Southeast, including Florida, Georgia, Alabama, Mississippi, South Carolina, North Carolina, and Tennessee.
